

ARROWHEAD

'63

DEDICATION

To
Armand Srum

Our Counselor

Although Mr. Srum has been our counselor and guidance director only two years, he has made many valuable contributions to the enrichment of student life.

His introduction and direction of this program is evidence of his awareness of and ability to deal constructively with the needs of students.

It is because of his enthusiastic interest in all of the students and his constant efforts to help all of the students, that we, the Arrowhead staff of 1963, have chosen to dedicate this yearbook to Mr. Armand Srum.
